# Index to AMERICAN JOURNAL OF NURSING

VOLUME 74, NUMBERS 1-12

JANUARY-DECEMBER 1974

---

This index is arranged in two sections, the Subject Section and the Name Section. **Articles** and **book reviews** are entered under the name of the author and joint authors in the Name Section and under one or more subjects in the Subject Section.

**News items** are under the names of the organizations or groups mentioned in the Subject Section as well as the subjects to which the items pertain. **Honors** bestowed upon nurses, including academic degrees, are under the subject AWARDS AND PRIZES; **Colleges and universities** are under the specific name of the institution and **hospitals and hospital schools** are under the name of the state and thereunder by city. All appointments are under subject APPOINTMENTS; however, appointments to state, national, international, and federal agencies may also be under specific name of agency involved and under personal name in the Name Section. The same procedure is followed for **obituaries**. For **biographies** see subject NURSES, BIOGRAPHY and personal name in the Name Section. **Education programs**, the opening or closing of schools, and special courses given for credit, are found under subject EDUCATION PROGRAMS.

Note that the subject headings are the same as those used in the **International Nursing Index (INI)** and are based on the **Medical Subject Headings** published by the National Library of Medicine. A "Nursing Thesaurus," which lists nursing headings commonly used with referrals to the headings in INI and in the annual indexes of **Nursing Outlook**, **Nursing Research**, and **American Journal of Nursing**, is published each year as part 2 of the first issue of INI and is bound in the fourth and cumulated hard cover issue. Copies of this Thesaurus are available upon request from the Editor, **International Nursing Index**, 10 Columbus Circle, N.Y. 10019, price \$2.00.
